

# Library Instruction, 2022–2023

Highlights from the library's instruction program for 2022–2023

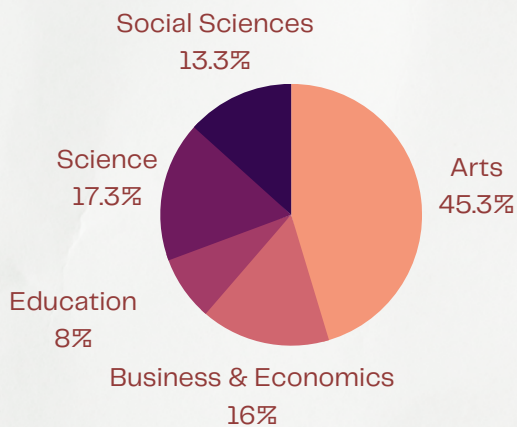

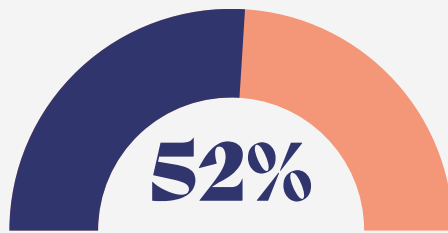

## 2,021 Seawolves

Librarians taught 93 course-integrated information literacy sessions in 2022–2023, reaching 30% of all students at SSU.

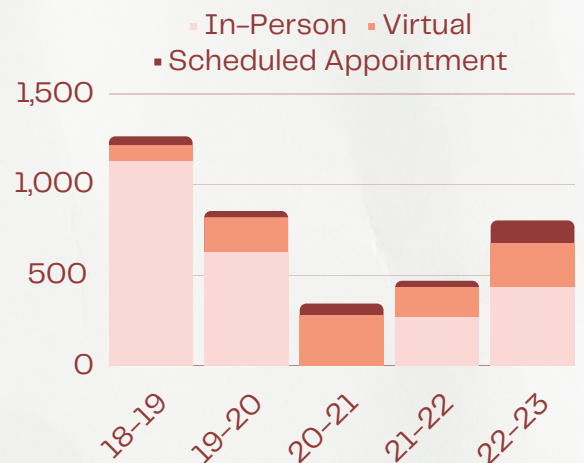

## Advanced Research

Over half of the library instruction delivered was for upper-division or graduate courses, which includes providing specialized guidance for research in the students' discipline.

### Instruction by School

About forty-five percent of instruction was delivered for courses in the school of Arts & Humanities.

### Research Help

Research help transactions doubled from the year prior.
